'what does this button do an autobiography  
by bruce dickinson

June 1st, 2020 - while not a bad book what  
does this button do is somewhat of a  
letdown as bruce skims over so much of an  
interesting life and career while bogging  
down chapters with unnecessary technical  
jargon the writing style is a bit odd with  
bruce is a multitalented intelligent  
character helping shape iron maiden into  
the unique force it is with his amazing  
voice and interesting lyrics'
