'darker legacies of law in europe the shadow of national

June 18th, 2019 - the legal scholarship of the national socialist and fascist period of the 20th century and its subsequent reverberation throughout European law and legal tradition has recently been the focus of intense scholarly discussion. This volume presents theoretical, historical, and legal inquiries into the legacy of national socialism and fascism, written by a group of the leading scholars in this field.

May 23rd, 2020 - Preface by Ralf A. Duff in line with theories of national socialism as a continuation and radicalization of existing trends. This innovative study interprets Nazi criminal law as a racist, anti-Semitic, nationalist, Germanic, and totalitarian construct that continues and develops further the authoritarian and anti-liberal tendencies of German criminal law of the fin de siècle and the Weimar Republic.

'The Colombian Peace Process and the Principle of Proportionality'

May 19th, 2020 - Striking a balance between peace and justice has long been debated by scholars and practitioners. There has been definite progress in a world in which blanket amnesties were at times granted with little hesitation. There is a growing understanding that accountability has both pragmatic and principled arguments in its favor. Practical arguments as much as shifts in norms have created a
