~~'customer reviews a new
history of photography~~

~~March 26th, 2020—the
new history of
photography is just that as
it breaches the subjects of
the mercialization of
photography not as a
demeaning factor but as
an evolutionary factor
showing that even those
in the pantheon of
photography artists
contributed to this
evolution" *a new history*~~

*of photography frizot
michel albert*

*may 10th, 2020 - a new
history of photography
was created after the
french ministry of culture
observed that there were
no books produced in
france that addressed the
history of the art form
rather than present the
standard chronological
survey this book s
creators chose to produce
a volume that would
enpass photography s
historical evolution as
well as its role in
society"***getting started in
newborn photography**

~~May 22nd, 2020 - all professional photography involves a multitude of skills and newborn photography is no different with one very important exception it is the only area of photography that involves the photographer being completely responsible for the safety and welfare of the subject the baby'~~
