

## Saudade By Jean Paul Delfino

Follement amoureux de son pays, Dom Pedro II, empereur humaniste, a une mission : transformer Rio de Janeiro en une capitale étincelante et le Brésil du XIXe siècle en l'une des nations les plus puissantes du monde. S'inspirant des idées généreuses des Lumières, il bouscule l'ordre établi, ouvre les frontières à la modernité, encourage le développement des arts et des sciences et accompagne l'essor des chemins de fer, de l'industrie, de la photographie. alors que le peuple lutte pour sa survie, sa liberté et la fin de l'esclavage. Dans ce roman foisonnant se croisent les destins de personnages hauts en couleur : Zumbi, un homme autrefois injustement condamné, mutilé, les yeux crevés, qui garde l'espoir que sa fille, Marina, après dix ans passés en prison, viendra le retrouver ; Rosa, une ancienne prostituée au grand cœur ; Filomena, fille d'un fazendeiro réactionnaire et raciste et d'une esclave Minas ; Raimundo, maton dans la lugubre prison du Calabouço et mélomane à ses heures ; l'énigmatique Madame de Barral, issue à la fois du peuple et de la noblesse, de Bahia et de Paris, mariée et amante impossible de Dom Pedro II. Amours contrariées, soubresauts de l'histoire, assassinats, révoltes, espoirs, luttes fratricides, traite négrière, mais aussi musique populaire, poésie, délices gastronomiques, sensualité et coups de théâtre ponctuent cette saga brésilienne. Et lorsque se calment la fureur et les larmes, affleure la saudade, ce sentiment si particulier teinté de langueur et de nostalgie. Saudade est le huitième volet de la Suite brésilienne de Jean-Paul Delfino, une fresque commencée en 2005 avec Corcovado et qui couvre une période de près de trois siècles. Jean-Paul Delfino, romancier et scénariste, vit à Aix-en-Provence. Il a publié Corcovado (2005, Prix Amerigo Vespucci), Dans l'ombre du Condor (2006), Samba triste (2007), Zumbi (2009), Pour tout l'or du Brésil (2011), Pour l'amour de Rio (2012) et Brasil (2013)..
