

You Gotta Get Bigger Dreams My Life In Stories And Pictures By Alan Cumming

"Recensione **The pictures and stories are intimate, mischievous, funny, and poignant.** It's a rare self-portrait by an actor in an era when most are wary of revealing too much. -TOWN & COUNTRY MAGAZINE ..".a fun, heartfelt, adorably catty collection of anecdotes and accompanying photographs from the entertainer's personal and professional life." -EDGE MEDIA NETWORK "A passion for photography has stayed with Cumming, all his life, and stage, film and television actor, has just released a book of 45 short essays accompanied by his photos." -SAN FRANCISCO CHRONICLE "Cumming s delight in life s unexpectedly joyful experiences of which he s had plenty in his fortunate career runs throughout the 45 essays in You ve Gotta Get Bigger Dreams, his third book. . . . Cumming s new book is rife with entertaining anecdotes, as well as personal reflections and at times shrewdly insightful commentary on his adopted country."- SF GATE "**Cumming s witty and incisive essays cover everything from a cross-country road trip with his beloved dog Honey to an unforgettable encounter with Oprah,** whose one-line response to one of Cumming s friends became the title of his book." -DAILY FRONT ROW"" --Various reviews**The Perries and Zayns of this world could learn a thing or two about the art of the memoir from Alan Cumming, who writes because he has something to say rather than, you know, an album to sell.** --Clare Allfree, Metro L'autore **Alan Cumming** is the author of two books: Tommyâ€™s Tale: A Novel of Sex, Confusion, andÂ Happy Endings and the #1 New York Times best-selling memoir Not My Fatherâ€™s Son. He has also had an exhibition of his photographs, Alan Cumming Snaps! His day job is acting, and most recently he was seen on TV as Eli Gold in the CBS drama The Good Wife, on Broadway in his Tony Awardâ€™winning role as the Master of Ceremonies in Cabaret, and in concert, touring the world with his cabaret show, Alan Cumming Sings Sappy Songs, which was also released as a live album. Alan is also a loudmouthâ€™sorry, activistâ€™who believes that knowledge is power and equality is a right, not a privilege.
