

The Queen S Rising By Rebecca Ross

"Recensione ~ â€œSophisticated plotting is the hallmark of this debut, which deftly navigates complex, treasonous plots and political intrigue. [A] Stunning literary adventure.â€• (Booklist (starred review))â€œA sprawling girl-powered fantasy. A compelling page-turner. Hand this magical debut to readers who loved Shannon Haleâ€™s Princess Academy or Sarah J. Maasâ€™s â€œThrone of Glassâ€• series.â€• (School Library Journal) Dalla quarta di copertina When her seventeenth summer solstice arrives,â€• Briennaâ€• desires only two things: to master her passion and to be chosen by a patron. Growing up in the southern kingdom ofâ€• Valenia at the renownedâ€• Magnaliaâ€• House should have prepared her. While some are born with a talent for one of the five passionsâ€•â€œart, music, dramatics, wit, and knowledgeâ€•â€œBriennaâ€• struggled to find hers until she chose knowledge. However, despite all her preparations, Briennaâ€™sâ€• greatest fear comes true: she is left without a patron. Months later, her life takes an unexpected turn when a disgraced lord offers her patronage. Suspicious of his intent, she reluctantly accepts. Butâ€• there is much more to his story, for there is a dangerous plot to overthrow the king ofâ€• Maevanaâ€•â€œthe rival kingdom ofâ€• Valeniaâ€•â€œand restore the rightful queen, and her magic, to the northern throne. And others are involved, some closer to Brienna than she realizes. With war brewing,â€• Briennaâ€• must choose which side she will remain loyal toâ€•â€œpassion or blood. Because a queen is destined to rise and lead the battle to reclaim the crown. Who will be that queen? With gorgeous description and detailed rendering of a world where not everything is what it seems, debut author Rebecca Ross weaves an intricate tale of revenge, loyalty, and, ultimately, self-discovery.
