

Miss Van By Samantha Longhi

Des personnages féminins peints au pinceau sur les murs de Toulouse dans les années 1990 : c'est là que commence l'histoire de Miss Van, artiste aujourd'hui considérée comme l'une des plus grandes figures de l'art contemporain urbain international... et également l'une des rares femmes artistes de renom. À ses débuts, les personnages de Miss Van étaient des projections d'elle-même, des doubles à la sensualité provocante. Ils ont progressivement évolué vers une richesse picturale qui a nourri de nombreuses séries à l'imaginaire de fantasque. Au milieu des années 2000, celles que l'on désigne encore comme des poupées commencent à voir leur maquillage couler. Une fois le masque tombé, les personnages féminins de Miss Van se dévoilent comme l'expression même de la féminité, entre force et fragilité. L'artiste fait alors voyager le spectateur à travers différents univers, comme le cirque ou la danse. Ses représentations sont parfois sombres, parfois très lumineuses. On y trouve invariablement une femme accompagnée d'un faon ou enroulée dans une chevelure sans fin.. Marilyn Van Derbur The pain of childhood sexual abuse. GLAM BRUSH BOOKS slmissglambeauty.
