

The Essential Scratch And Sniff Guide To Becoming A Wine Expert Take A Whiff Of That By Richard Betts Wendy Macnaughton Crystal English Sacca

"Pressestimmen 'Smart, fun, enlightening, and refreshingly free of snobbery.' 'Real Simple' The master sommelier Richard Betts's clever new scratch-and-sniff book is likely to broaden the novice's appreciation of wine, explaining how aromas relate to different varietals... A useful chart that ties bouquets to wines is tucked inside.' 'Florence Fabricant for The New York Times' 'Fiendishly clever.' 'Food & Wine' 'We recently had the immense privilege and pleasure of interviewing Richard Betts, who is not only a master sommelier and one-half of the unpretentious Betts & Scholl wine-making cooperative; but also an astoundingly witty guy. We chatted with Richard about partnering with renowned contemporary artists to create some of the coolest bottle labels ever; schrooming and the inauspicious beginnings of Betts & Scholl; Dr. Dre; and Richard's newest project Cc: (more stellar wines at jaw-dropping prices).'- GiltBar [Richard Betts] has one of the best palates in the business, having worked as wine director for the crazy good Montagna at the Little Nell before branching off into a wine- and mezcal-making career (Betts & Scholl and Sombra, among the labels he formed).'- Colorado Wino 'Über den Autor und weitere Mitwirkende RICHARD BETTS has been featured in the New York Times, Wine Spectator, Food & Wine, Outside, GQ, and Details, and speaks frequently on wine throughout the country. He is the founder of two wine companies, Betts & Scholl and Scarpetta, which have won top praise from leading wine publications. The founder and president of Sombra Mezcal, he also launched several new wines in 2012, including Saint Glinglin, My Essential Red, and My Essential Rose." the essential scratch and sniff guide to being a wine expert. scratch and sniff guide to being a wine expert. essential scratch and sniff guide to being a wine expert. book review the essential scratch and sniff guide to. the essential scratch and sniff guide to being a wine expert. the essential scratch and sniff guide to being a wine expert gettin saucy. the essential scratch and sniff guide to being a whiskey. scratch and sniff wine guide from hertothere. book review the essential scratch and sniff guide to. book review the essential scratch and sniff guide to. scratch and sniff your way to being los angeles times. the essential scratch and sniff guide to being a wine. the essential scratch and sniff guide to being a whiskey. scratch and sniff your way to being a whiskey snob with. book review the essential scratch and sniff guide to wine. the essential scratch and sniff guide to being a wine. the essential scratch and sniff guide to being a whiskey. book review the essential scratch and sniff guide to. the essential scratch and sniff guide to being a whiskey. the essential scratch and sniff guide to book pickings. vino sans snobbery a charming illustrated scratch and. the essential scratch and sniff guide to being a whiskey. the essential scratch and sniff guide to being a wine. book review scratch and sniff guide whiskey instyle. scratch
