

Sweat The Technique Revelations On Creativity From The Lyrical Genius English Edition By Rakim

On the heels of Kendrick Lamar's Pulitzer Prize, as the world begins to recognize the creative side of Hip-Hop, comes a writing guide from a musician and "The greatest MC of all time," Rakim. The musician and Hip Hop legend—hailed as "the greatest MC of all time" and compared to Thelonus Monk—reimagines the writing handbook in this memoir and guide that incorporates the soulful genius, confidence, and creativity of a master artist. When he exploded on the music scene, musical genius Rakim was hailed for his brilliant artistic style, adding layers, complexity, depth, musicality, and soul to rap. More than anyone, Rakim has changed the way MCs rhyme. Calm on the mic, his words combine in a frenzy of sound, using complicated patterns based on multisyllabic rhymes and internal rhythms. Rakim can tell a story about a down-on-his-luck man looking for a job and turn it into an epic tale and an unforgettable rhyme. He is not just a great songwriter—he's a great modern writer. Part memoir, part writing guide, *Sweat the Technique* offers insight into how Rakim thinks about words, music, writing, and rhyming as it teaches writers of all levels how to hone their craft. It is also a rare glimpse into Rakim's private life, full of entertaining personal stories from his youth on Long Island growing up in a home and community filled with musicians to the clubs of New York and the studios of Los Angeles during his rise to the top of popular music. Rakim celebrates the influences that shaped his development, including the jazz music of John Coltrane and the spirituality of the streets, and shares anecdotes spotlighting personalities such as L. L. Cool J. and Dr. Dre, among others. Filled with valuable lessons for every writer, *Sweat the Technique* reveals the heart and mind of an artist and his love for great storytelling, and always, the words.. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from by. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. rakim discusses and signs sweat the technique revelations. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique event for power to the la phil. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. full e book sweat the technique revelations on creativity. sweat the technique by rakim ebook ebooks. sweat the technique by rakim my review life at f11. sweat the technique revelations on creativity from the. editions of sweat the technique revelations on creativity. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique rakim hardcover. co uk. sweat the technique co uk rakim 9780062850249 books. sweat the technique rakim digital audiobook. sweat the technique on apple books. sweat the technique revelations on creativity from the. read sweat the technique revelations on creativity from. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. an evening with rakim revelations on creativity from the lyrical genius. rakim presents sweat the technique revelations on. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. ae customer reviews sweat the technique. review rakim sweat the technique revelations on. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. sweat the technique revelations on creativity from the. book review sweat the technique by rakim
