

## Evalene S Number The Number Series Volume 1 By Bethany Atazadeh

"Críticas "A rigorous apocalyptic backdrop and versatile characters supply seemingly endless avenues for further volumes to explore." - *Kirkus Reviews*

Reseña del editor Everyone in Eden is assigned a Number, tattooed on their neck, which determines their value and place in the world. On her Numbering Day, Evalene Vandereth anticipates joining the elite. Born in an upper-class family, she knows exactly who she is and what she is worth. Even as the needle breaks her skin, she is blissfully happy. She never considers another outcome, until it's too late. Now 18-year-old Evalene lives in fear, struggling with her new identity, stripped of her freedom and basic human rights. Can she escape her Number? Is anyone else asking the same question? Fans of *The Hunger Games* and *Divergent* will love Evalene's Number and its incredible dystopian tale.

Biografía del autor Bethany Atazadeh is a Minnesota-based author and avid reader. She graduated from Northwestern College in 2008 with a Bachelor of Arts degree in English with a Writing Emphasis. After graduation, she pursued songwriting, recording, and performing with her band, and writing was no longer a priority. But in 2016, she was inspired by the NaNoWriMo challenge to write a novel in 30 days, and since then she hasn't stopped. She is passionate about God, her husband, writing, painting, music, and dogs, specifically her Corgi puppy, Penny.
