---

*their reprints of the black wings series contents'*

***'lynne jamneck review black wings of cthulhu***

*April 19th, 2020 - the twenty on stories in black wings of cthulhu are unique sometimes puzzling but very successfully manages to remain fresh in their interpretations of the lovecraftian mood as previously stated they are not retelling of original stories but function rather to expand the universe created by lovecraft himself something he would i am sure have approved of wholeheartedly'*

may 22nd, 2020 - but these were  
not the great old ones no man  
had ever seen the old ones the  
carven idol was great cthulhu  
but none might say whether or  
not the others were precisely  
like him no one could read the  
old writing now but things were  
told by word of mouth the  
chanted ritual was not the secret  
that was never spoken aloud
