

A Place Of Greater Safety Fourth Estate By Hilary Mantel

"CrÃticas â€”Superbly readableâ€”an assured and strange masterpiece.â€™ Sunday Telegraph'One of the best English novels of the 20th century.' Diana Athill, The Oldieâ€”Hilary Mantel has soaked herself in the history of the periodâ€”and a striking picture emerges of the exhilaration, dynamic energy and stark horror of those fearful days.â€™ Daily Telegraphâ€”I cannot think of a historical novel as good as this until one goes back to Marguerite Yourcenarâ€™s â€œMemoirs of Hadrianâ€”, published forty years ago.â€™ Evening Standardâ€”Marvellousâ€”It was the best of times; it was the worst of times. Hilary Mantel captures it all.â€™ Time Outâ€”Intriguingâ€”She has grasped what made these young revolutionaries â€” and with them the French Revolution â€” tick.â€™ Independentâ€”Crafty tensions, twists and high dramaâ€”a bravura display of her endlessly inventive, eerily observant style.â€™ Times Literary Supplementâ€”An extraordinary and overwhelming novelâ€”immensely detailed and yet fast-movingâ€”she has set herself to capture the excitement and intellectual fervour of the period. She does it admirablyâ€”a tour de force.â€™ Scotsman'Rivetingâ€”the book overflows with a natural storyteller's energy.' New Yorkerâ€”Much, much more than a historical novel, this is an addictive study of power, and the price that must be paid for itâ€”a triumph.â€™ Cosmopolitan'This is a high-class historical blockbuster.' Red Magazineâ€”Hilary Mantel has pulled off the apparently impossibleâ€”an ambitious, gripping epic.â€™ Vogue

ReseÃ±a del editor From the double Man Booker prize-winner comes an extraordinary work of historical imagination â€” this is Hilary Mantelâ€™s epic novel of the French Revolution.Georges-Jacques Danton: zealous, energetic and debt-ridden. Maximilien Robespierre: small, diligent and terrified of violence. And Camille Desmoulins: a genius of rhetoric, charming and handsome, yet also erratic and untrustworthy. As these young men, key figures of the French Revolution, taste the addictive delights of power, the darker side of the periodâ€™s political ideals is unleashed â€” and all must face the horror that follows. BiografÃa del autor Hilary Mantel is the author of thirteen books , including A PLACE OF GREATER SAFETY, BEYOND BLACK, and the memoir GIVING UP THE GHOST. Her two most recent novels, WOLF HALL and its sequel BRING UP THE BODIES, have both been awarded The Man Booker Prize â€” an unprecedented achievement.".
