

## **Resort To Love Christian Romance Boxed Set 4 Full Length Novels One Novella English Edition By Angela Ruth Strong**

Five brothers find love where they least expect it in the Resort to Love Series. Oregon Coast – Christina Lovejoy finds herself honeymooning alone when she leaves her fiancé at the altar. Dave Lake prayed for a wife and has a bride show up at his bed and breakfast. When she agrees to stay on as his cook, will he be able to convince her not to run away from another chance at romance? Eureka—Adopted into a family of dysfunctional siblings, Genevieve Wilson doesn't believe she's capable of successful relationships, which makes her crush on the pilot at work feel safe. Matt Lake has a perfect life, girlfriend included, but the redhead who works at the Eureka airport makes him smile like never before. Will he give up the flawless life he planned in exchange for the messiness of love, and if so, will Gen risk more heartbreak? Sun Valley—Actress Emily Van Arsdale returns to her home state to film a movie and is drawn to a rafting guide who seems to want nothing to do with her. Since Tracen Lake's former fiancée left him for the allure of Tinseltown, he's mistrusted all things Hollywood, including the little spitfire he finds himself falling for. Is he foolish for believing things might work out this time around? Big Sky—The last thing Paisley Sheridan wants for Christmas is to spend time with Josh Lake—the guy who broke her heart in high school—but until her bank loan goes through, she has to take all the free help she can get on her ranch. Unfortunately, Josh seems to want back in her life again, and the town's quirky coffee shop owners don't help by hanging mistletoe at every opportunity. Will Paisley succeed in driving him away, or will she find the healing needed to have hope for a future together? Park City—Single mom C.J. Lancaster meets Sam Lake when she's supposed to be interviewing his movie star sister-in-law, but, for the first time since her divorce, she finds herself more intrigued with a man than her career as a journalist. As the last single brother, Sam would rather spend time with C.J. than his highly successful siblings, but when his PTSD arises, he realizes C.J. has enough challenges in her life to face without his added baggage.
