

I Was A Teenage Sex Pistol English Edition By Glen Matlock

Glen Matlock was a founding member of the Sex Pistols and co-wrote most of their iconic songs. His story of the Pistols' rise to global infamy is an honest, insightful account of a group of intelligent malcontents, determined to change the music business and to attack hypocrisy and stale conventions in society at large. Glen brilliantly captures the flavour of seventies Britain and reveals the complexities and personality clashes that made the Pistols so explosive at that time. Also includes true tales of the Pistols reunion tours of 1996 and 2002.
