

The Electrical Menagerie The Celestial Isles Book 1 English Edition By Mollie E Reeder

The Electrical Menagerie, one-of-a-kind robotic roadshow, is bankrupt. Sylvester Carthage, illusionist and engineer, has the eccentric imagination the Menagerie needs to succeed creatively -- but none of the people skills. Fast-talking Arbrook Huxley, meanwhile, has all the savvy the Menagerie needs to succeed commercially -- but none of the scruples. To save their show, Carthage & Huxley risk everything in a royal talent competition, vying for the once-in-a-lifetime chance to perform for the Future Celestial Queen. In this stardust-and-spark-powered empire of floating islands and flying trains, The Electrical Menagerie's bid at fame and fortune means weathering the glamorous and cutthroat world of critics, high society, and rival magicians -- but with real conspiracy lurking beneath tabloid controversy, there's more at stake in this contest than the prize. Behind the glittery haze of flash paper and mirrors, every competitor has something to hide... and it's the lies Carthage & Huxley tell each other that may cost them everything. **What Fans are Saying: "Delightful." *Publisher's Weekly/Booklife* Starred Review "The Greatest Showman meets steampunk [...]** **This book needs to be on every steampunk reader's list.**" Morgan L. Busse, award-winning steampunk author of *The Soul Chronicles* "A tale of true imagination, **wonder, humor, and heart** [...]" this beautifully written science fantasy is sure to delight." Lindsay Franklin, author of *The Story Peddler* "The stuff that **fandoms** are built on." Kyle Robert Shultz, author of *Beaumont & Beasley* "**Jules Verne** for the next generation." Reader Review "I have a terrible **book hangover**. The world, the characters, the snark! How will I ever recover?" Reader Review "**The Greatest Showman X Sherlock Holmes X robots** = " Reader Review. book review the electrical menagerie by mollie e reeder. book review and giveaway the electrical menagerie by. news the celestial isles. the electrical menagerie the celestial isles by mollie. the electrical menagerie j f rogers. the electrical menagerie by mollie e reeder paperback. five reasons why i need mollie reeder s the electrical. the electrical menagerie book 2018 worldcat. download mollie e reeder 2019 the electrical. mollie e reeder posts
