"Pressestimmen 'Cocaine + Surfing is a dazzling page-turner, highly-recommended beach reading, and absolutely the funniest book ever written about surfing.'--Outside 'Between untold stories of extravagant parties, untimely overdoses and dark cover-ups, the book doesn't miss a beat, nor a good time.'--Urban Daddy **Praise for *Welcome to Paradise, Now Go To Hell*** 'Told in an energetic, first-person style that one of Smith's magazine editors dubbed 'trash prose,' the book is a sure-fire hit with fans of surfing literature.'--Booklist '[A] ripping profile of the surf culture on Oahu's North Shore . . . Smith[s] storytelling is taught . . .'--Wall Street Journal 'Chas Smith is a stone-cold original-a globe-trotting, war-reporting, motorcycle-driving, cigarette-smoking, tube-riding, fashion-obsessed international dandy with a penchant for dangerous people, places, and, most of all, prose. *Welcome To Paradise, Now Go To Hell* is absolutely the most entertaining surf book in years, a breathless adrenalized romp.'--**Daniel Duane**, author of *Caught Inside, A Surfer's Year on the California Coast* 'A vivid and somewhat disconcerting depiction of the world of surfing and its attendant problems . . . An uncommon read for those interested in surfing or those seeking a look at Hawaii from a vantage point not normally found in history books.'--Library Journal 'A hip exposé of Hawaii's North Shore surfing culture . .

Cocaine Surfing A Sordid History Of Surfing S Greatest Love Affair By Chas  
. entertains, while superior reporting informs and illuminates much about the surf industry's peculiar machinations, its cavalcade of sun-bleached heroes and the troubled history of Hawaii itself . . . effortlessly shifting from the profound to the profane.'--Kirkus 'A mix of reportage and gonzo journalism.... [with] trenchant...astute observations.... If Hunter S. Thompson circa Hell's Angels merged with a fashion critic to write about surfing for Maxim, the result might be similar.'--Publishers Weekly 'A book of real literary style and grace . . . gleefully mischievous . . . handles like a '54 Porsche: smooth, glamorous, and totally out of control.'--Flaunt 'Made me think hard about the North Shore . . . To the best of my knowledge, nothing like it exists.'--The Inertia 'Smith doesn't simply stand in judgment. He loves the world of the North Shore, and he hates it. With gleeful defiance and feral wit, he harnesses his ambivalence to fuel this compulsive, wild ride of a book.'--Sydney Morning Herald, Pick of the Week 'A wild and unflinching look at the adrenalin-soaked world of surfing.'--Melbourne Herald Sun Æber den Autor und weitere Mitwirkende **Chas Smith** the author of *Welcome to Paradise, Now Go to Hell* (It Books, November 2013), which was optioned for television by Fox 21 (*Homeland* and *Sons of Anarchy*) with producers at Television 360 (*Game of Thrones*) and a finalist for the PEN Center USA Award for Nonfiction. Chas began his writing career as a foreign correspondent, penning pieces for *Vice*, *Paper*, and *Blackbook*, amongst others, from Yemen, Lebanon, Syria, Somalia, Azerbaijan and Colombia which led to a brief career as a war correspondent for Current TV.
