

Italian Cities And Cruise Ports Guide Includes Sicily Sardinia And Malta English Edition By Mediterranean Cruise Guide

The easy way to transform your next cruise or trip to Italy from "good" to "extraordinary." The guide for the smart travelers. It includes: - Tourist "must see" highlights for most sought after ports and cities in Italy, Sicily, Sardinia and Malta - the Guide covers many more destinations than any other Italian cruise travel guide - 62 in total! The Guide includes the destinations from itineraries of every cruise line operating in the Mediterranean. This means whichever cruise line you choose its Italian ports of call are included in this guide. Plus if you're not on a cruise and just traveling the area, chances are you'll be staying in one or more of these destinations. In fact, use this Guide to determine the itinerary of your journey through Italy. - Memorable things to see and do - At a glance you'll be able to see the entire town or city's main points of interest. Little known and fascinating museums, breathtaking and awe-inspiring architectural achievements, historical sites, churches, castles and palaces etc., the Guide lists them ALL. This will help you quickly determine where you want to spend your time and the best way to use your available time. - Map with key sites highlighted - Each town or city has its own individual map with the points of interest numbered and highlighted. The maps are sharp and high quality. At every destination, you'll know exactly where you are, where you want to go and the quickest route to get there. - Where to eat and sleep - One of the joys of visiting Italy is to dine at unique and wonderful restaurants that put the area's culinary culture on full display. You will immediately have the top restaurants (with complete contact information) at your fingertips. If you're on a cruise, you won't be staying at a hotel, but if you're traveling by any other means, you'll know the best places to get a good night's sleep. - Where to relax, tan, scuba dive, snorkel, boat and swim - Italy has great beaches and the Guide provides you with a description of the best beaches in the area for both water activities

Italian Cities And Cruise Ports Guide Includes Sicily Sardinia And Malta English Edition By or just laying around soaking up some rays.- Fun activities and events to make each part of your journey memorable – Feel like going on a walking tour? Discovering the spectacular beauty of the local caves? Visiting some of the historical villages and landmarks nearby? Shopping in the best districts? Attending a famous festival? You'll never have to worry that you're missing out on popular tourist events and attractions. - Description of the city - the Guide provides a brief description of each destination. At a glance you'll be able to get a feel for the historical significance and culture of the area. You'll know where the railway station is located, the local post office and other important places should you ever need them. Plus you'll have a map to the port location.- Distance to major centers and locations in the area - If you're looking to visit any of the major cities in the area, the Guide provides you with a handy reference that shows you how far they are away in both distance and time..
