rome san basilio street art walking urban kultur blog

March 24th, 2020 - although ancient art is what it is known for rome s street art scene is a lively one in recent years a number of urban art projects mushroomed around the outskirts of the city such as in san basilio a neighbourhood often associated with a high crime rates but which is amazingly genuine and somehow a little poetic san basilio s council estate buildings were built in the 1940s and'
