

Lust For Life On The Writings Of Kathy Acker By Amy Scholder

"Pressestimmen â€œAcker may be the true mother of Brat Pack writers like Brett Easton Ellis, but there isnâ€™t disgust in her work ... Transgression is never disgustâ€”it is a way of surviving.â€•â€”Jeanette Wintersonâ€œFrom the fringes, an outsider, Kathy Acker penetrated the heart of American culture with a superb and wicked intellectual force we had not seen before.â€•â€”Sapphireâ€œScarified sensibility, subversive intellect, and predatory wit make her a writer like no other I know.â€•â€”New York Times Book Review Synopsis Kathy Acker one of the most innovative, startling and influential writers of the late 20th century. Known variously, and notoriously, as a consummate postmodernist, feminist, post-punk and plagiarist, her oeuvre -- over a dozen novels and novellas -- has inspired a generation of writers and artists. Lust for Life is the definitive collection of essays on Acker's inimitable work. These distinguished scholars and writers reveal Acker's profound and innovative project, and the ways in which fiction can penetrate the heart of political and cultural life. Contributors: Nayland Blake , Leslie Dick, Robert Gluck, Carla Harryman, Laurence Rickels, Avital Ronell, Barrett Watten, and Peter Wollen. acker's inimitable work including Peter Wollen's elegiac primer widely considered the best introduction to Acker and Avital Ronell's erudite meditation on friendship and mourning

what the early church believed contraception and

May 31st, 2020 - Christians have always condemned contraceptive sex both forms mentioned in the Bible: coitus interruptus and sterilization are condemned without exception. Gen 38:9-10, Deut 23:1. The early fathers recognized that the purpose of sexual intercourse in natural law is procreation; contraceptive sex which deliberately blocks that purpose is a violation of natural law.
