

Little Why By Jonny Lambert

Little Why just can't stay in line. There is so much to see - like Giraffe's long-lofty leggy legs and Wildebeest's spiny-spiky horns. Why can't he have legs and horns like them? And then Little Why spots Crocodile's snippy-snappy teeth... Look out! With stylish and striking art from Jonny Lambert, Little Why is a visually stunning picture book with a heart-warming message at its core. Children will love Little Why's adorable, excitable character and discovering the different animals in the African savannah.
