

Group Photography Poses Power Of The Pose Book 5 English Edition By Robert Bezman

Rickie Lee Jones said: "You never know when you're making a memory." The purpose of these group photography poses is not to simply preserve a memory; but to also capture the emotion and story that came before it... a sample pose that can tell its own story. So many of life's special moments include groups (2 or more people). Generally, the only thing that's necessary to transform a ho-hum group photograph into a great picture is knowing which poses to use. Not only are 285 poses included in this ebook, but you learn over 50 tips from a professional photographer about how to improve your photos. And... everything contained in "Group Photography Poses" can be used with the current photography equipment you already have!
