

Exemplarity And Singularity Thinking Through Particulars In Philosophy Literature And Law English Edition By Michele Lowrie Susanne Lã Demann

This book pursues a strand in the history of thought – ranging from codified statutes to looser social expectations – that uses particulars, more specifically examples, to produce norms. Much intellectual history takes ancient Greece as a point of departure. But the practice of exemplarity is historically rooted firmly in ancient Roman rhetoric, oratory, literature, and law – genres that also secured its transmission. Their pragmatic approach results in a conceptualization of politics, social organization, philosophy, and law that is derived from the concrete. It is commonly supposed that, with the shift from pre-modern to modern ways of thinking – as modern knowledge came to privilege abstraction over exempla, the general over the particular – exemplarity lost its way. This book reveals the limits of this understanding. Tracing the role of exemplarity from Rome through to its influence on the fields of literature, politics, philosophy, psychoanalysis and law, it shows how Roman exemplarity has subsisted, not only as a figure of thought, but also as an alternative way to organize and to transmit knowledge.. curriculum vitae zanvyl krieger school of arts and sciences. for time is nothing if not amenable exemplarity. susanne lã¼demann lmu mÃ¼nchen die perlentaucherin. online philosophy through film for free video dailymotion. law journals table of contents k l. m lowrie cv summer 2017 university of chicago. exemplarity and singularity thinking through particulars. michele lowrie abebooks. between ordinary and extraordinary in brill research. exemplarity and singularity thinking through particulars. exemplarity and singularity thinking through particulars. exemplarity and singularity taylorfrancis. singularity for sale gamer console gear in stock. speakers singularity generality and exemplarity in. professor susanne lã¼demann hannah arendt on truth and. a review of exemplarity and singularity thinking through. for those who lost their utopias springerlink. lowrie cv dept web site june 2016 classics uchicago edu. institute of advanced study professor michÃ¼le lowrie. hannah arendt on truth and lying in politics department. exemplarity and singularity thinking through particulars. searchworks catalog stanford university libraries. a mosaic of indigenous legal thought melbourne law school. exemplarity and singularity av michele lowrie susanne. read philosophy through film video dailymotion. peter goodrich. law journals table of contents k l hku libraries. the literary absolute ici berlin. the temper of exemplarity werther s horse by david martyn. exemplarity and singularity thinking through particulars. crc press online series discourses of law. exemplarity and singularity thinking through particulars. pearl diving writing history after the break of tradition. thinking through for sale kitchen collectibles. instance example case and the relationship of the legal. exemplarity and singularity thinking through particulars. matthew roller classics johns hopkins university. routledge amp crc press series discourses of law. exemplarity and singularity thinking through particulars. 9781138020498 pare discount cd prices amp save up to 90. legal studies volume 36 issue 3 cambridge core. review of sharad deshpande ed the philosophy of g r. exemplarity and singularity thinking
