

The Virgin Encyclopedia Of Reggae Virgin Encyclopedias Of Popular Music By Colin Larkin

"Synopsis This is a complete handbook of information and opinion about the history and development of reggae music. Based on the 'Encyclopedia of Popular Music', the book contains over 1000 entries covering musicians, bands, songwriters, producers and record labels which have made a significant impact on the development of reggae music. It brings together people such as Prince Buster and Duke Reid, with performers who took reggae beyond Jamaica's shores such as Jimmy Cliff and Bob Marley and the Wailers, and those who have been at the forefront in more recent years, such as UB40, Shabba Ranks and Red Rat. Each entry offers information such as dates, career facts, discography and album ratings.".
