early christianity and greek paideia werner jaeger

may 19th, 2020 - this small book the last work of a world renowned scholar has

established itself as a classic it provides a superb overview of the vast historical

process by which christianity was hellenized and hellenic civilization became christianized werner jaeger shows that without the large postclassical expansion of greek culture the rise of a christian world religion would have been impossible,,

may 14th, 2020 - jaeger argues that greek mystery cults
began to influence christianity most during the second

century and after changing the emphasis of anized
christianity itself towards a revelatory ethos before this
he argues most christian thinkers if not believers were
centered on the philosophy of christ as this was the
language of the hellenized audience'
