**cover achtungbaby**

June 2nd, 2020 - the achtung baby album cover was a significant change for u2 in several ways the band's previous three albums all featured mostly two tone color schemes black and gold the joshua tree and rattle and hum or maroon and gold the unfettered fire and every u2 album from the 1980s featured a single image on the cover' '~~u2's achtung baby meditations on~~

~~love in the shadow of~~

~~April 23rd, 2020 — stephen catanzarite takes his readers on a metaphysical trip with achtung baby the book reads like a well written thesis and catanzarite is knowledgeable both musically and theologically the songs are the bones on which the author fleshes out his theories with the help of quotes by philosophers poets musicians axl rose of all people and whole passages taken from books by religious scholars of different faiths'~~
