distancing and check out our resources for adapting to these times

**it s time to stop writing i hope you re well in emails**

June 6th, 2020 - in those cases yes you are free to despise this person and forevermore address them with i hope you re well  
but only then is it fair to throw that expression their way and if the thought of leaving out any introductory pleasantries at  
all makes you uncomfortable an exclamation point in your greeting should do the trick

**which one is correct i hope you too have a happy and**

June 4th, 2020 - precisely speaking there is no need of the word too in any of these sentences also the word hope is not the  
most appropriate word to use instead use the word wish the word hope gives a subtle negative feeling here in this usage it c
