

The Most Beautiful My Life With Prince By Mayte Garcia Orion Publishing Group

In *The Most Beautiful*, a title inspired by the hit song Prince wrote about their legendary love story, Mayte Garcia for the first time shares the deeply personal story of their relationship and offers a singular perspective on the music icon and their world together: from their unconventional meeting backstage at a concert (and the long-distance romance that followed) to their fairy-tale wedding (and their groundbreaking artistic partnership) to the devastating losses that ultimately dissolved their romantic relationship for good. Throughout it all they shared a bond more intimate than any other in Prince's life. No one else can tell this story or can provide a deeper, more nuanced portrait of Prince - both the famously private man and the pioneering, beloved artist - than Mayte, his partner during some of the most pivotal personal and professional years of his career. *The Most Beautiful* is a book that will be returned to for decades, as Prince's music lives on with generations to come. Written and read by Mayte Garcia. **PLEASE NOTE: When you purchase this title, the accompanying reference material will be available in your Library section along with the audio.**
