

The Targeter My Life In The Cia Hunting Terrorists And Challenging The White House By Nada Bakos Davin Coburn Christine Lakin Hachette Audio

"A revealing and utterly engrossing account" of the world of high-stakes foreign intelligence, and her role within the campaign to stop top-tier targets inside Al-Qaida from former CIA analyst Nada Bakos. (Joby Warrick) In 1999, 30-year-old Nada Bakos moved from her lifelong home in Montana to Washington, DC, to join the CIA. Quickly realizing her affinity for intelligence work, Nada was determined to rise through the ranks of the agency first as an analyst and then as a Targeting Officer, eventually finding herself on the frontline of America's War against Islamic extremists. In this role, Nada was charged with determining if Iraq had a relationship with 9/11 and Al-Qaida, and finding the mastermind behind this terrorist activity: Abu Musab al-Zarqawi. Her team's analysis stood the test of time, but it was not satisfactory for some members of the Administration. In a tight, tension-packed narrative that takes the listener from Langley deep into Iraq, Bakos reveals the inner workings of the Agency and the largely hidden world of intelligence gathering post 9/11. Entrenched in the world of the CIA, Bakos, along with her colleagues, focused on leading U.S. Special Operations Forces to the doorstep of one of the world's most wanted terrorists. Filled with on-the-ground insights and poignant personal anecdotes, The Targeter shows us the great personal sacrifice that comes with intelligence work. This is Nada's story, but it is also an intimate chronicle of how a group of determined, ambitious men and women worked tirelessly in the heart of the CIA to ensure our nation's safety at home and abroad. . the unexpected spy from the cia to the fbi. the targeter lib e my life in the cia hunting terrorists. the targeter my life in the cia hunting terrorists and. buy the targeter my life in the cia hunting terrorists. new in paperback lanny and the unwinding of the. nada bakos author of the targeter. the targeter author nada bakos opens up about life in. the targeter audiobook by nada bakos davin coburn. spymaster my life in the cia. the targeter book lawrence public library bibliomons. the targeter my life in the cia hunting. editions of the targeter my life in the cia hunting. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting terrorists and. undergraduate internship co op program digital targeter. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia on the hunt for the. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting. the targeter my life in the cia hunting terrorists and. targeting analyst central intelligence agency. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting terrorists and. the targeter my life in the cia hunting terrorists and. nonfiction book review the targeter my life in the cia. the targeter my life in the cia hunting terrorists and. book nadabakos. the targeter my life in the cia hunting terrorists and. nada bakos. the targeter my life in the cia hunting terrorists and. cia analyst nada bakos. the targeter my life in the cia hunting terrorists and. listen to targeter my life in the cia hunting terrorists. the targeter my life in the cia hunting. former cia analyst looks back at iraq 9 11 and al qaeda. the targeter by nada bakos davin coburn kirkus reviews. the targeter central intelligence agency. the targeter on apple books. the targeter npr. the targeter new america. former cia analyst nada bakos is not maya from zero dark. book review of the targeter my life in the cia hunting. the targeter by nada bakos hardcover target. customer reviews the targeter my life in the. the targeter book pima county public library
