'mistakes were made May 19th, 2020 - mistakes were made is an expression that is monly used as a rhetorical device whereby a speaker acknowledges that a situation was handled poorly or inappropriately but seeks to evade any direct admission or accusation of responsibility by not specifying the person who made the mistakes the acknowledgement of mistakes is framed in an abstract sense with no direct reference to who made' the allied forces in world war 2 won the war

but made a

may 25th, 2020 - even though world war 2 ended decades

ago we sometimes have to look back in history and see

what mistakes were made what decisions were chosen it s

easy to say some of those choices were wrong since we

now know both sides of the story however back then the

manders and troops relied only on '
